

HOSHIGAKI 2022 MAIL ORDER - \$60 PER ONE POUND PACKAGE

Because of the late spring frost and loss of crop, we had to buy hachiya persimmons to make most of our hoshigaki. On top of that, harvest was 10-20% of normal when we got hit with the 100 degree plus heat spell in late summer. Our product availability is very limited this year. With the other farmers faced with the same weather events and crop loss, we weren't able to purchase enough hachiya to make up for our losses. We expect availability to total around 300-400 pounds (about 30% of normal).

We are taking orders, but keep in mind the quality (appearance or taste) may not be the same as years past and we may run out and have to cancel your order. We will notify you by email when we receive your order, when it is shipped, or if we have to cancel. The procedure for cancelling your order will be notifying you by email and to write VOID across the check before shredding. If everyone from last year places an order, we will definitely run out. We had to raise the price per pound to \$60 to partially cover the cost of purchasing hachiya and the increase in postage.

Print out the mail order form on the next page and submit with a check to: OTOW ORCHARD, 703 Jo Anne Lane, Roseville, CA 95678. Our residence mail box is more secure than the rural mail box at the ranch.

This has been difficult to know how to present this dilemma, but hopefully next year will be better.

Regardless, best wishes to you and yours this holiday season and the upcoming year,
